

**Every Child Ministries**  
*A Christian mission for the forgotten children of Africa*

**‘GET ACQUAINTED’ FORM**

This is not an application form and involves no obligation on your part. We are interested in information which will assist us in advising you as to affiliation with Every Child Ministries. Feel free to use more paper if needed or desired. All information is confidential and will be used only to help guide you as you seek the Lord’s guidance about possible service with Every Child Ministries.

Please note that the International Co-Directors are the only American staff that travel to Africa: to Congo at the beginning of each year (January or February), and to Ghana each summer and other times when necessary (please inquire). If you are a self starter we welcome missions during other times of the year, but our African staff, because of culture, will not tell an American what to do. Those that need more direction would be advised to go during the time our Co-Directors are present in Africa. Those that are able to see what needs to be done on their own would be ideal for missions at any time.

### **PRACTICAL MATTERS**

The Great African Adventure is a missions service trip, not a vacation. The climate may be hot and uncomfortable. Most hotels have only one or two air conditioned rooms (if any), so there is no way all the team can have air conditioning. Roads may be rough. Facilities may be simple. Hotel rooms may seem dark and dingy, and while basically clean, their standards will probably not measure up to what you are used to. Both electricity and running water may be intermittent. (You fill a bucket with water when it's on and keep a flashlight handy.) Your favorite choices in food are likely to be unavailable and variety is almost sure to be far less than you are accustomed to. Cooking is done for the entire group and individual preferences cannot be catered to. Gripping is not permitted. If you are a fussy eater, you should seriously consider whether God wants you to participate. If He sends you anyway, you need to seriously pray and prepare your heart to eat what is offered with joy.

Are you prepared to accept these conditions without complaint? \_\_\_\_\_

### **MISSIONS**

Why do you believe God is leading you into missionary service?

Do you feel God is leading you to ECM? Why?

How did you learn of Every Child Ministries?

Are you also inquiring into or making application to other mission agencies?  
Which ones?

In faith, each member of the Every Child Ministries team asks God to provide his or her personal and ministry support needs through prayer. Each missionary is responsible to raise funds to cover the anticipated expenses of their ministry. Help, guidance and encouragement is provided all along the way, but the team member must still do the work. Are you willing to assume this responsibility?
