SUPPORT UPDATE

Thank you for all of you who have committed financially to the ministry! Please continue to pray for people to be moved by my stories and heart for the people and have the desire to be part of something so amazing!

I am so excited for all of the people who are already teaming with me for the children of Tegotatoo! **GO TEAM GULU!**

Start-up

I am at 65%. This goes to all of my initial costs such as tickets, vaccinations, vehicle, insurances, ministry items/expenses, etc.

Monthly

For the remaining months of 2009 I am at 46%. Some have chosen to fulfill their commitments starting in January 2010.

For the full years of 2010 and 2011 I am at 57%.

PRAISE GOD!!

FUNDRAISING OPPORTUNITIES

I am continuing to meet with individuals and organizations for support. However, I am way too excited to just spread the word about all the ways God is working in Uganda—so I am enlisting help in sharing the ministry and support raising!

I will be working with Stone Creek Coffee (www.stonecreekcoffee.com) in a fundraising program. For every \$12 one pound of coffee, \$5 will go straight to my ministry with ECM! For non-coffee drinkers, there is the Old Fashioned Hot Chocolate for \$7—\$3 goes to ECM!

If you are interested in helping me take orders from your work, church, organization, neighbors, etc., please contact me and I will set you up with order packets—all you have to do is take orders, collect the money and pass it on to me to do the rest!

If you would like to purchase coffee, please contact me as well.

Here is a list of coffee blends (can be purchased ground or whole bean):

- | | |
|------------------|--------------------------|
| Custom Blend | Hazelnut Flavored |
| French Roast | Organic Fair Trade Blend |
| Cream City Blend | Decaf Cream City Blend |

PREPARATION

Well, it is August! Lots to prepare for and get set for my hopeful departure in mid-October.:

- Ticket prices are best at this time so pray I can raise the support and purchase the tickets!!
- Also, I am selling a lot of stuff that I will not need: car, clarinets, household items, etc.
- Setting up a lot of meetings and fundraising proposals have been so much fun! It gives me a great opportunity to spend time with awesome people!!
- Lastly, to keep my head afloat until I leave, I am going to be working part time at a school.

Definitely keeping busy!!!!
