

Hope in Uganda May 2010

I KNOW WHAT I AM SUPPOSED TO DO!!!!

And I have to leave for two months.

But that is ok. I am so excited for what God is doing and will be doing.

First, this month has been a month of new birth—people surrendering their lives to Christ and being transformed into beautiful children of God. It has been AWESOME. We had a training with Kent Forest on sharing the gospel and how to disciple people for the kingdom. Needless to say we utilized the knowledge and let our passion for God consume us and this month alone we saw some 30

people come to Christ!

With that, and much prayer, I truly feel like I know what I am called to do here...beyond just developing programs and leading Team Gulu. My passion and heart is for the women of Tegot road—for sharing the Gospel and discipling. I am so excited for this. Relationships are

strong, I am learning the language and trust is built. It is amazing.

I am going to be home the months of May and June. I will be visiting with churches, organizations, and individuals to share

EVALYN!! My Acholi mom, mentor and friend!! Oh I love her!

what is going on, raise support and just enjoy being with my American family!!! It will be a great and much needed time of rest, fellowship and sharing. EXCITED!

I would still LOVE to see you—so if I don't have you on the calendar please contact me! I can be reached by email or my cell (414-350-1754). Thank you for all of your LOVE, SUPPORT, and PRAYERS!!!

Just some of the AMAZING women of Tegot God has asked me to disciple!
